CAPA BYLAWS

ARTICLE I—MEMBERSHIP

I (1): Full membership, with voting privileges is open to personnel employed by Canadian Federal and Provincial governments, universities or college, and consultants who are employed in the field of apiculture or other related fields as:

- Federal apiculturist
- Provincial apiculturist
- Full-time or part-time extension apiculturist
- Full-time or part-time teaching and/or research apiculturist
- Full-time or part-time apiary inspectors
- Full-time or part-time apicultural technicians
- Full-time or part-time professionals in any other capacity whose work involves managed bee species

I (2): Non-voting, associate membership in the association may, upon receipt of application, be granted to persons who are:

- Part or full-time graduate students involved in projects involving managed bee species
- Part-time technicians associated with personnel or projects involving managed bee species
- Part-time disease inspection staff
- Representatives of appropriate programs within federal government agencies such as Agriculture and Agri-Food Canada, the Canadian Food Inspection Agency and the Pest Management Regulatory Agency
- The representative of the Canadian Honey Council and a representative of any other organizations concerned with managed bee species.
- Members of the American Association of Professional Apiculturists
- Members of the Apiary Inspectors of America.

I (3): Membership or associate membership may be extended to persons other than those defined in Clauses I and II upon ratification by a majority of the membership.

I (4): The privileges of membership in the Association shall terminate when a current member resigns or retires from the position which established his/her eligibility.

I (5): Membership fees shall be prescribed by the members in general meeting.

I (6): Every member shall receive a copy of the bylaws annually.

I (7): Privileges of membership shall be restricted to those holding current membership.

I (8): The decision to grant life memberships, honorary memberships, and awards of merit shall be made by a 75% majority of the members present at the general meeting.
